### YOUR PRIVACY AND MEDICAL INFORMATION

This medical practice collects information from you for the primary purpose of providing quality health care. We require you to provide us with your personal details and a full medical history so that we may properly access, diagnose, treat and be proactive in your health care needs. This means that we will use the information for administrative purposes, billing, disclosure to others involved in your health care; including specialists and other treating doctors outside this practice and disclosure to other doctors in the practice including locums to assist in your medical care. This practice may occasionally be involved in research and quality assurance activities to improve individual and community health care and practice management. All information is de-identified. If you wish to opt out of any research undertaken by the clinic please inform your doctor. We wish to assure you that at all times your health information is treated with utmost confidentiality.

I have read and understood the above information regarding my medical information.
